1 John 1:1-4

8th May 2022

What struck, challenged or encouraged you from God's word on Sunday?

Remember as we go through the whole of 1 John, God's main purpose through this letter is assurance:

"I write these things to you who believe in the name of the Son of God so that you may know that you have eternal life." (1 John 5:13)

Read 1 John 1:1-4

What causes division in the Church?

A real Jesus

- What error do you think John is beginning to deal with by starting in this way? Why does it matter if Jesus was really 'seen and touched' in history?

A true gospel message

- Why does John use we (9x) and you (3x) so much in these four verses? What is God so keen to get across to the readers of this letter?

A joyful fellowship

- How does fellowship come about (v. 3)? And why is John writing this letter (v. 4)?
- What does all this teach us about Christian fellowship?
- How can we grow more deeply in fellowship at Christ Church Endcliffe?
